West Windsor, NJ – U.S. Representative Rush Holt (NJ-12) today issued the following statement on fires that have ravaged northern Israel, killing 41 and displacing 17,000 from their homes.

“I want to extend my deepest condolences to all those who lost loved ones to the fires in northern Israel. I am pleased that the United States government swiftly responded to our ally’s call for firefighting assistance and grateful that so many of Israel’s neighbors contributed resources and personnel to help extinguish the fires.
