

Washington, D.C. – U.S. Representative Rush Holt (NJ-12) today issued the following statement on the sudden passing of John Gideon, a long-standing leader in the electronic voting integrity movement.

“I share the deep sense of loss of everyone in the voting integrity community at the untimely loss of this giant of a man whom we all relied on for the most up-to-date information on issues related to electronic voting security through his Daily Voting News and the endless research and reports on the VotersUnite.org website. My thoughts and prayers are with his family and friends. He will be missed greatly.”
